

Andy/Scott/Jeff/Mark,

I wanted to take the time to thank you for the great job Lamp Metal did for Metcon | TA loving on the Horry County Schools projects. Your company was a pleasure to work with from estimating through field installation. I hope we can work on more projects together in the future.

It is a breath of fresh air to work with professionals who show up and get the job done with little to no fuss. So again thank you.

Sincerely,

Ryan Parker, Senior Project Manager
Metcon, Inc.
